

The Two Moons Award

In his lifetime, Chieftain Two Moons (Simon Rositzky) exhibited the highest level of dedication and support to the Tribe of Mic-O-Say and to the Scouting program. It is in his memory that *The Two Moons Award* is presented. The award is represented by a medallion worn about the neck of the Tribesman in costume and is the highest honor that can be bestowed upon a young adult Tribesman. It is awarded to that Tribesman, who in the opinion of the Medicine Men, exemplifies the highest level of leadership and service to the Tribe of Mic-O-Say.
